 AP PROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
 and do hereby grant the same, subject to the following limitations and
 conditions: This permit is issued subject to all existing rights on the
 source. The State retains the right to regulate the use of the water
 herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount
 which can be applied to beneficial use, and not to exceed 0.008
 cubic feet per second, or sufficient to water 250 cattle and 10 horses.
 Actual construction work shall begin on or before October 14, 1949
 Proof of commencement of work shall be filed before November 14, 1949
 Work must be prosecuted with reasonable diligence and be completed on or
 before October 14, 1950

Proof of completion of work shall be filed before November 14, 1950

Application of water to beneficial use shall be made on or before
 October 14, 1951. Proof of the application of water to beneficial
 use must be filed with State Engineer on or before November 14, 1951.

Map Filed MAY 1 1949
